

## To Create a PowerSchool Parent Account:

Go to <https://lapcs.powerschool.com> and click on the Create Account tab.

When you have at least one of your scholar's access codes and you're ready to begin, click on the Create Account button.

Enter your account details on the Create Parent Account screen.

Your username can be whatever you want, but cannot contain special characters, including the @ symbol. It can only be letters and numbers.

In the next section, use your scholar's access code and password to link their records to your account. Information must be filled out for each scholar you want to access.

When finished, click Enter at the bottom of the screen.

PowerSchool accounts are activated immediately and do not require additional signatures or forms. You should receive an email confirmation that your account has been created.

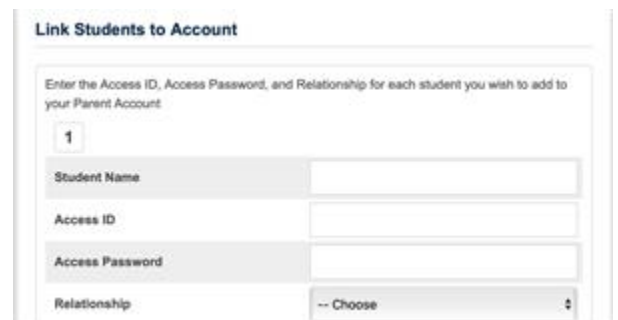

PowerSchool can be accessed via a browser or mobile app for iOS or Android. When setting up the mobile app, the district's access code is **LBQH**.

The screenshot shows the PowerSchool login page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". The "Create Account" button is circled in red. Below the buttons, there is a section titled "Create an Account" with a sub-header "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)". At the bottom right of this section, there is a "Create Account" button, also circled in red.

The screenshot shows the "Create Parent Account" page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Create Parent Account". There is a section titled "Parent Account Details" with several input fields: "First Name", "Last Name", "Email", "Desired Username", "Password", and "Re-enter Password". Below these fields, there is a "Password must:" label and a note "-Be at least 7 characters long".

The screenshot shows the "Link Students to Account" page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Link Students to Account". There is a section titled "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account:". Below this section, there is a table with one row. The table has columns for "Student Name", "Access ID", "Access Password", and "Relationship". The "Relationship" column has a dropdown menu with "-- Choose" selected.
